

# CONDITIONS TO RENT AND TAKE CLASSES AT CABARETE KITE POINT

I have read, understood, and accepted each of the following conditions:

1. Knowledge of the rented equipment, making sure it is in good condition: I have carefully examined the rented equipment before using it. I have found it in good condition and without any defect.
2. Liability in case of damages and losses: I agree to pay for any damage to the rented equipment without taking into account the nature and cause of the damage. I agree with the repair fees indicated separately. I understand that for the kite equipment, there is no insurance for damage or loss.
3. Statement of competence: I am familiar with the theory and practical use of the rented equipment, and I promise to use it properly. I also understand that the use of rented equipment exposes me to many unavoidable and dangerous risks, including severe injury or death. I understand and know that weather changes could present dangers and accept those risks.
4. Responsibility in case of delay: I agree to return the rented equipment to the rental place on the agreed day and time (No later than 6:00 pm). If I return the equipment after 6:00 pm for whatever reason, I agree to pay for the entire day.
5. Disclaimer: I agree that the company and its agents or its employees are not responsible for any harm/damages to me or other people.
6. No refund: I understand that there will be no refund for unused equipment. Rental and class hours begin from the moment the rented equipment is delivered to me. Rental and class hours end at the same time and day that I have returned the equipment to Cabarete Kite Point.
7. Use of kites and boards: Kites and boards can only be used by the renter in designated locations. I agree to not leave the kites out in the sun for more than 30 minutes. I also agree not to leave the equipment unattended on the beach or anywhere else. I will keep the kite lines away from people and obstacles.
8. Extreme weather conditions: I understand that in case of extreme weather conditions, the use of the equipment could be limited.
9. Kites: I understand that kite material is easier to damage than the board, and I agree to pay for any damage to the equipment during the rented period.
10. Classes: As a student of Cabarete Kite Point Kitesurfing School, points 1,2,3, and 9 do not apply to me during lessons.
